

PALOS FINE ARTS SCHOLARSHIPS 2012 APPLICATION

The Palos Fine Arts Association was founded in 1984 to stimulate, promote and present the arts in the Palos area. Recognizing the importance of the arts in everyone's life, it was natural to establish a scholarship program. What better way to stimulate the arts than to support young artists and educators as they pursue knowledge in their chosen art form.

Application for (choose one):

Palos Fine Art Scholarship

Donna O'Brien Memorial Scholarship

Area of Interest (choose one):

Theater
